5-Gallon Air Compressors

Single Stage — Electric

AM1-HE02-05M

This 5-gallon, hand-carry air compressor is perfect for small, interior jobs where space is limited and portability is essential.

COMPRESSOR PUMP

- Cast iron cylinder
- Splash lubricated aluminum crankcase
- Stainless-steel braided discharge hose
- Inlet air filter

MOTOR

- Thermal overload motor protection
- 8-foot power cord

FRAME

- Powder coated twin tank assembly
- Protective pump/motor housing

COMPONENTS

- Regulator and two gauges for tank and outlet pressure
- Drain and pressure relief valves
- Industrial interchange quick connect fittings
- Start/stop control set at 95 to 125-PSI

LIMITED WARRANTY

- 1 year electric motor

CERTIFICATION

- ETL Certified – US and Canada
